CAREER OBJECTIVE

Motivated B.Tech CSE (Data Science) student (2027) skilled in C++, Java, Python, and Web/AI development, with AWS Certified Cloud Practitioner status and Agentic AI + front-end internship experience. Eager to bring strong analytical and programming skills to a techno-process role, ready to work full-time from Hyderabad in international time zones

TECHNICAL SKILLS

Programming Languages: C, Java, Python, C++

Core Concepts: OOP, DBMS, Networking, Operating Systems, Computer Fundamentals, SDLC, Software Engineering

Web Development: HTML, CSS, Bootstrap, JavaScript, PHP, jQuery

Databases: MySQL

AI / ML Tools: LangChain, LangGraph, ChromaDB, Sentence Transformers, Groq, Gemini API, FastAPI, AWS

Cloud: AWS Certified Cloud Practitioner (CLF-C02); AWS core services fundamentals

Operating Systems: Windows, Android, Linux (basic)

Analytical Skills: Problem-solving, Semantic Search, Data Analysis, System Thinking

EDUCATION

B.Tech - Computer Science & Data Science (CSD) — Pursuing

CGPA: 7.78 (No Backlogs)

Diploma - Electronics & Communication Engineering (ECE)

2023

85%

SSC - Secondary School Certificate

2021

9.8 GPA

INTERNSHIP EXPERIENCE

Agentic AI Intern at Innomatics Research Labs

Feb 2026 - May 2026

- Developed advanced AI workflows using Python, FastAPI, LangChain, and LangGraph.
- Built and deployed production-ready agentic pipelines with multi-step reasoning and tool integration.
- Gained hands-on experience with cloud services and RESTful API design.

Front-End Development Intern in AICTE(in collaboration with IBM SkillsBuild)

Sep 2025 - Oct 2025

- Designed and developed responsive websites, including a furniture booking platform, using HTML, CSS, and JavaScript.
- Built interactive, user-friendly interfaces applying accessibility and UI/UX best practices.

PROJECT EXPERIENCE

RAG-Based Customer Support System - [Link](#)

- Built an AI-powered customer support system supporting PDF and CSV ingestion up to 1GB.
- Implemented semantic search with cosine similarity for accurate document retrieval.
- Designed Human-in-the-Loop (HITL) escalation flow for reliable and safe responses.
- Developed interactive Streamlit UI with confidence scores and a debug panel.

AssignFlow – Institutional Assignment Management System - [Link](#)

- Built a full-stack, role-based assignment management platform for faculty and students using PHP and MySQL, supporting secure registration, login, and password recovery.
- Designed a relational schema (users, classes, assignments, submissions, submission_files) with foreign-key integrity to manage class rosters, assignments, and multi-file submissions.
- Implemented multi-format assignment submission (PDF/DOC upload plus in-browser audio/video recording) with deadline enforcement and automatic resubmission handling.
- Developed a faculty grading dashboard for reviewing submissions, assigning grades (A-F), and providing feedback, with ownership checks restricting access to a faculty member's own classes.

Recipe Finder Web Application - [Link](#)

- Developed a fully functional recipe search application with efficient database queries and smooth UX.
- When we enter the ingredients we have then, it will find the suitable recipes with detailed procedure.

CERTIFICATIONS & ACHIEVEMENTS

- AWS Certified Cloud Practitioner (CLF-C02) - Amazon Web Services - Earned August 2026 - [Link](#)
- AIGNITE 2.0 - National Level Hands-on Gen AI Training & Hackathon, AITAM Tekkali, in collaboration with V Cube Software Pvt. Ltd., Hyderabad - Feb 2026
- 24-Hours Webathon Using AI - Dept. of CSE (Data Science), AITAM Tekkali, organized by Institution's Innovation Council - Feb 2026
- Samsung Galaxy AI Treasure Hunt 2026 - Certificate of Participation (via Unstop) - June 2026
- NPTEL - Python for Data Science (Data analysis, visualization, and ML using Python)
- Edunet - Front-End Web Development (Responsive web application design)
- Python Fundamentals - GeeksforGeeks
- Google Cloud Study Jams 2025 - GenAI Arcade Game completion (swag recipient)
- 2nd Place - Web Quest Competition, "Static Online Examination Portal," Dept. of CSD, AITAM Tekkali
- Member - Disciplinary Committee, AITAM Tekkali

ADDITIONAL INFORMATION

Languages: English (Read/Write/Speak), Telugu (Read/Write/Speak), Hindi (Read/Write)

Availability: Immediate Joiner | Open to Service Agreement (24 months) | Willing to work in USA/UK time zones

Interests: Listening to Music, Gardening, Playing Cricket, Numismatist

DECLARATION

I here by declare that the details furnished above are true and correct.

Date: 19-08-2026

Place: Tekkali
